3. As a Christian, scripture and prayer should be at the core of our daily life. God speaks to us through His Word as we seek after Him as the Holy Spirit reveals to each of us who He is, who we are in Him and how we are to live out our daily lives as we work to build the Kingdom of God.
4. At HS-SSOM, we learn how to read and interpret the Word of God as it is given through the scriptures. not just on an academic level, but in order to solidify our personal foundation of belief as we nourish our spiritual growth.
5. As we journey in God's purpose for His church, we discover the gifts and abilities that the Holy Spirit has given to each of us to serve God and His people and how these gifts work together through the entire body to build the church.
6. Integrate your faith with your studies. Whether one attends specialized courses pertaining to history, philosophy or science, our faith should make sense in the context of what we learn and how to communicate that faith to others. A biblical education will prepare us as we address tough life questions and moral conflicts pertaining to today's issues concerning relationship, science, the sanctity of life, the daily practice of our faith, God's written truth, and Christian moral ethics.
7. Being part of a community of Faith. Just as the church is a community where broken people gather together to receive wholeness as they grow in their service and obedience to God, Pneuma can be a place where we live out that faith in practice as a community of believers.
8. Expand your social circle & worldview.
- While Christian students are similar in what they believe, we gather from many different racial, ethnic, cultural, economic, and denominational backgrounds.
