## Accreditation

### How is the HOLY SPIRIT SUPERNATURAL SCHOOL OF MINISTRY accredited?

Holy Spirit Supernatural School of Ministry received its official certificate of accreditation on July 27th, 2025 during the Church on Fire Conference in Decatur, IL where the graduation of the 1st class for AA in Christian Biblical Studies took place.

**Transworld Accrediting Commission International (TAC)** is a non-governmental, educational accrediting body that accredits theological schools, seminaries, universities, colleges, and programs worldwide.

Transworld Accrediting Commission International

- Established in 1989 as a non-profit church organization
- Federally recognized for accrediting institutions globally
- Headquartered in Riverside, California, with an office at 9085 California Avenue

The Church of our Lord, Jesus Christ carries Constitutional rights in America. We should not take these God opportunities that our Father in heaven has given us, lightly. We are blessed as a Nation. The founding Fathers set the US Constitution in place, to protect those rights. It is time for the Church to awaken and emerge to be the Bride our Lord Jesus Christ intended it to be. We have a short time to complete the great commission. The prophetic clock is ticking to the midnight hour, and The World needs the gospel of Jesus Christ.

Holy Spirit Supernatural School of Ministry and affiliates are blessed to have received its right to accredit students through (Transworld Accreditation Commission) that fought for the rights of religious colleges to accredit their students of higher learning in the state and federal courtrooms of America

Some Recent Victories in U.S. Courts of America.

The Texas Supreme Court case HEB Ministries Inc. v. Texas Higher Education Coordinating Board in 2007 affirmed that the state cannot regulate the awarding of religious degrees by private religious institutions. The court ruled that requiring such institutions to obtain state authorization to grant religious degrees or call themselves seminaries was unconstitutional.
